The Curvy Fashionista

Armed with years over eleven years in the retail industry, Marie Denee is a Plus Size Fashion Blogger who has interviewed fashion icons like, Monif C, Anna Scholz, Douglas Sez, Mia Amber, Gwen DeVoe, Jessica Svoboda, and Qristyl Frazier.

Marie Denee is noted for her ability to find contemporary, high fashioned, impeccably fitting fashions for the Plus Size woman. Her tireless efforts have lead her to create her own plus size fashion blog site, The Curvy Fashionista, in December 2008; which showcases fashion options, news and events for plus size women in a world where fashion for the plus community is often overlooked.

In June 2009, Marie Denee, along with plus blogger, Johara Tucker, created The Curvy Collective; a group of elite fashion savvy plus size bloggers whose sole purpose was to capture up to the minute news related to the first ever, Full Figured Fashion Week (FFFWeek), in New York City. She has shared her fashion expertise with such outlets like, Gemini Magazine, San Francisco Examiner, Plus Size Media Tele-Summit and Style Sample Magazine.
